

## **Denise Gretchen-Doorly, Ph.D.**

Licensed Psychologist (PSY 25131)

### **Curriculum Vita**

#### **EDUCATION**

Post-doctoral Fellowship	2007-2010	National Institutes of Mental Health (NIMH) Training Grant: Clinical Research in Schizophrenia and Mood Disorders at UCLA (PI: Keith H. Nuechterlein, PhD)
Ph.D.	2005	Fordham University, Graduate School of Education Counseling Psychology (APA-Accredited)
Internship	2003	University of California, San Diego Psychological and Counseling Services (APA-Accredited)
M.Ed.	1997	Columbia University, Counseling Psychology
M.A.	1996	Columbia University, Organizational Psychology
B.A.	1994	University of Delaware, <i>cum laude</i> Interpersonal & Organizational Communication

#### **CLINICAL WORK EXPERIENCE**

UCLA Department of Psychiatry & Biobehavioral Sciences, Aftercare Research Program, Staff Research Associate V (2010 – 2014)

- Developed and supervised a clinical training practicum for Master's and Doctoral-level students featuring individual and group psychotherapy for outpatients recently diagnosed with schizophrenia
- Conducted group supervision for staff and trainees co-leading healthy lifestyle and physical exercise groups for outpatients recently diagnosed with schizophrenia

UCLA Department of Psychology, NIMH Postdoctoral Fellow (2007 – 2010)

Specialization: Health and wellness-based group treatment approaches for severe mental illness

- Created and implemented a manualized treatment program that taught recent-onset schizophrenia outpatients how to combat the adverse health consequences of schizophrenia and treatment with second-generation antipsychotic medications

UCLA Department of Psychiatry & Biobehavioral Sciences, Aftercare Research Program, Staff Research Associate IV – Supervisor (2005 – 2007)

- Led healthy lifestyle psychoeducational groups for individuals recently diagnosed with schizophrenia
- Conducted group supervision for staff and trainees co-leading healthy lifestyle and wellness groups

University of CA – San Diego (UCSD), Psychological and Counseling Services, Pre-doctoral Intern (APA-Accredited) (2002 – 2003)

- Full-time pre-doctoral intern engaged in individual and group therapy, outreach and consultation, and clinical supervision of undergraduate trainees
- Caseload 15-25 students for individual therapy per week; groups led included a Biracial Student Discussion Forum, an Undergraduate Women's Support Group, a Graduate Women in Science Discussion Group, a Bulimia Therapy Group, and a Building Social Confidence Psychoeducational Group

Fordham University, Counseling Services, Senior Extern, New York, NY (1999 – 2001)

- Provided individual short-and long-term psychotherapy and career counseling and assessment to graduate and undergraduate students
- Individual psychotherapy caseload 10-15 students per week

Mount Sinai Services, Elmhurst Hospital Center, Extern, New York, NY (1999 – 2000)

- Provided cognitive, personality, and neuropsychological assessment of child and adult inpatients and outpatients; primary therapist for 20 – 30 adult psychiatric inpatients
- Led inpatient group psychotherapy and served as group process observer for an inpatient psychoeducational group for severely mentally ill adults

Fordham University, Counseling Services, Extern, New York, NY (1998 – 1999)

- Provided individual short- and long-term psychotherapy to Fordham students. Caseload 8 – 10 students a week
- Developed and presented a seminar on “Making the Transition to College” as part of the Center's outreach program; other outreach activities included participation in National Eating Disorders Awareness Week and National Depression Screening Day

Columbia University, Center for Psychological Services, Extern, New York, NY (1997)

- Provided individual psychotherapy and career counseling to members of the public and Columbia University students; caseload 4 – 5 clients per week

City University of New York – Baruch College, Counseling & Career Development Centers, Extern (1996 - 1997)

- Provided individual short-term career and psychological counseling to Baruch students. Caseload: 8-10 students per week
- Participated in Center's outreach efforts including Career Day, Job Fair, and Mental Health Awareness Week

## **OTHER WORK EXPERIENCE**

UCLA Department of Psychiatry & Biobehavioral Sciences, Aftercare Research Program, Staff Research Associate, Supervisor (2003–2014)

- Supervised data collection for an interdisciplinary team of mental health practitioners for several pharmaceutical and NIH/NIMH grant-funded studies examining neurocognition and antipsychotic medication effects in individuals recently diagnosed with schizophrenia
- Heavily engaged in research activities including data collection, statistical analyses, writing articles for peer-reviewed journals, writing NIH and NIMH grant proposals, and creating posters and presentations summarizing research efforts of the program for professional conferences

Hunter College, City University of New York, Department of Educational Foundations & Counseling Programs, Adjunct Instructor (2001-2002)

Baruch College, City University of New York, Department of Psychology, Adjunct Instructor (1998–1999)

Fordham University, Division of Curriculum & Teaching, Graduate Assistant (1998–1999)

Fordham University, Division of Psychological & Educational Services, Graduate Assistant (1997–1998)

Columbia University, Department of Counseling & Clinical Psychology, Teaching Assistant for Professor Peter C. Cairo, Ph.D. (1996–1997)

Columbia University, ERIC Clearinghouse on Urban Education, Acquisitions Coordinator and Web Manager (1994–1997)

Delaware Symphony, Wilmington, DE, Marketing Intern (1993)

Hagley Museum and Library, Wilmington, DE, Marketing Intern (1992)

## POSTERS & PRESENTATIONS

### American College of Neuropsychopharmacology (ACNP):

Subotnik, K.L., Ventura, J., **Gretchen-Doorly, D.**, Hellemann, G. S., Agee, E. R., Casaus, L. R., Luo, J. S., Villa, K. F., & Nuechterlein, K. H. (2013, December). *Positive and negative symptom correlates of second-generation antipsychotic adherence in recent-onset schizophrenia*. Poster presented at the 52<sup>nd</sup> annual meeting of the American College of Neuropsychopharmacology, Hollywood, FL.

Ventura, J., Subotnik, K. L., Gitlin, M. J., **Gretchen-Doorly, D.**, Villa, K. F., & Nuechterlein, K. H. (2013, December). *Negative symptoms in the early course of schizophrenia: Their longitudinal stability and relationship to early cognitive processes*. Poster presented at the 52<sup>nd</sup> annual meeting of the American College of Neuropsychopharmacology, Hollywood, FL.

Subotnik, K. L., Nuechterlein, K. H., Ventura, J., Gitlin, M. J., Aravagiri, M., Marder, S. R., Thornton, L. A. & **Gretchen-Doorly, D.** (2004, December). *Risperidone non-adherence and return of positive symptoms in the early course of schizophrenia*. Poster presented at the 43<sup>rd</sup> annual meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico.

### American Psychiatric Association (ApA):

Nuechterlein, K. H., Subotnik, K. L., Ventura, J., Gitlin, M. J., **Gretchen-Doorly, D.**, Green, M. F., Wallace, C. J., Becker, D. R., Liberman, R. P., Drake, R. E., Mintz, J. (2007, May). *Improving work outcome in recent-onset schizophrenia: Supported employment and education, workplace skills training, and neurocognition*. Symposium presented at the 160<sup>th</sup> annual meeting of the American Psychiatric Association, San Diego, CA.

### American Psychological Association (APA):

DeTore, N. R., Subotnik, K. L., **Gretchen-Doorly, D.**, Casaus, L., Luo, J. S., Ventura, J., Amano, J. E., & Nuechterlein, K. H. (2012, August). *Self-reported insight is associated with medication adherence in recent-onset schizophrenia*. Poster presented at the 112<sup>th</sup> annual meeting of the American Psychological Association, Orlando, FL.

**Gretchen-Doorly, D.**, Kite, R. E., Alarcon, E., Subotnik, K. L., & Nuechterlein, K. H. (2006, August). *Pilot test of a wellness program for schizophrenia patients*. Poster presented at the 106<sup>th</sup> annual meeting of the American Psychological Association, New Orleans, LA.

**Gretchen-Doorly, D.**, Jackson, M. A., Brobst, K. E., & Ponterotto, J. G. (2006, August). *Social-cognitive analysis of women's multiple roles and well-being*. Poster presented at the 106<sup>th</sup> annual meeting of the American Psychological Association, New Orleans, LA.

**Gretchen, D.**, Roger, P. R., & Mueller, L. N. (1999, August). *Student-initiated change in graduate school: A research-based collaboration*. Poster presented at the 99<sup>th</sup> annual meeting of the American Psychological Association, Boston, MA.

Entertainment Software and Cognitive Neurotherapeutics Society (ESCONS):

Nuechterlein, K. H., Ventura, J., Subotnik, K. L., **Gretchen-Doorly, D.**, Casaus, L., Luo, J., Bell, M.D., & Medalia, A. (2011, September). *Cognitive training in the early course of schizophrenia: Impact on cognition and work/school functioning*. Poster presented at the Annual Meeting of the Entertainment Software and Cognitive Neurotherapeutics Society, San Francisco, CA.

Ventura, J., Nuechterlein, K. H., Subotnik, K. L., **Gretchen-Doorly, D.**, Casaus, L., Luo, J., Bell, M.D., & Medalia, A. (2011, September). *Cognitive remediation can improve social functioning and symptoms in early schizophrenia*. Poster presented at the Annual Meeting of the Entertainment Software and Cognitive Neurotherapeutics Society, San Francisco, CA.

International Congress on Schizophrenia Research (ICOSR):

**Gretchen-Doorly, D.**, Subotnik, K. L., Ventura, J., Nuechterlein, K. H. (2013, April). *Combined cognitive and physical exercise training for recent-onset schizophrenia patients: Changes in physical health and health attitudes from a 10-week pilot study*. Poster presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

McCleery, A., Ventura, J., Kern, R. S., Subotnik, K. L., **Gretchen-Doorly, D.**, Nuechterlein, K. H. (2013, April). *Quantifying cognitive impairment in recent-onset schizophrenia using the MATRICS Consensus Cognitive Battery (MCCB)*. Poster presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

Nuechterlein, K. H., Subotnik, K. L., Ventura, J., **Gretchen-Doorly, D.**, Casaus, L. R., Luo, J. S., Turner, L., Kurtz, A. S., & DeTore, N. R. (2013, April). *Long-acting injectable risperidone and medication adherence enhance cognition and work functioning after a first psychotic episode*. Symposium presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

Nuechterlein, K. H., Ventura, J., Subotnik, K. L., **Gretchen-Doorly, D.**, Turner, L., Casaus, L. R., Luo, J. S., Medalia, A., & Bell, M. D. (2013, April). *Broad-spectrum cognitive remediation after a first episode of schizophrenia: Impact on cognition and work/school functioning*. Symposium presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

Subotnik, K. L., Ventura, J., **Gretchen-Doorly, D.**, Casaus, L. R., Luo, J. S., Turner, L., DeTore, N. R., Helleman, G. S., Marder, S. R., Amano, J. E., Kaiser, S. K., & Nuechterlein, K. H. (2013, April). *Clinical advantages of long-acting injectable risperidone after an initial episode of schizophrenia*. Symposium presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

Ventura, J., Subotnik, K. L., **Gretchen-Doorly, D.**, Ered, A., Wilson, S. A., & Nuechterlein, K. H. (2013, April). *Neurocognition, theory of mind, and negative symptoms are related to functioning in first-episode schizophrenia*. Poster presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

Ventura, J., **Gretchen-Doorly, D.**, Subotnik, K. L., Vinogradov, S., Nahum, M., & Nuechterlein, K. H. (2013, April). *Combining cognitive training and exercise to improve cognition and functional outcomes in the early course of schizophrenia: A pilot study*. Poster presented at the 14<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Grand Lakes, FL.

**Gretchen-Doorly, D.**, Kite, R. E., Subotnik, K. L., Ventura, J., & Nuechterlein, K. H. (2011, April). *Results from a 15-week pilot study of a clinic- and home-based healthy lifestyle program for recent-onset schizophrenia patients*. Poster presented at the 13<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Colorado Springs, CO.

Nuechterlein, K. H., Subotnik, K. L., Ventura, J., **Gretchen-Doorly, D.**, Helleman, G. S., Luo, J. S., & Casaus, L. R. (2011, April). *Causal explanatory models demonstrate the impact of neurocognition on later work/school functioning in first-episode schizophrenia*. Poster presented at the 13<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, Colorado Springs, CO.

**Gretchen-Doorly, D.**, Subotnik, K. L., Kite, R. E., Ventura, J., Carter, S. K., & Nuechterlein, K. H. (2009, April). *Examining the impact of a wellness-based group intervention for recent-onset schizophrenia patients: Preliminary results from an ongoing trial*. Poster presented at the 12<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, San Diego, CA.

Subotnik, K. L., Nuechterlein, K. H., Ventura, J., **Gretchen-Doorly, D.**, Helleman, G. H., Luo, J. S., Maremont, E. R., Casaus, L. R., & Singh, I. R. (2009, April). *Effectiveness of risperidone long-acting injection in the early phase of schizophrenia: Relapse prevention and functional outcome*. Poster presented at the 12<sup>th</sup> Annual International Congress on Schizophrenia Research Meeting, San Diego, CA.

Subotnik, K. L., Nuechterlein, K. N., Ventura, J., Gitlin, M. J., Aravagiri, M., Marder, S., Siegel, B., Love, M. J., Irzhevsky, V., Thornton, L. A., & **Gretchen-Doorly, D.** (2005, April). *Dimensions of poor insight and risperidone non-adherence in the early course of schizophrenia*. Poster presented at the International Congress on Schizophrenia Research Annual Meeting, Savannah, GA.

#### International Society for CNS Clinical Trials and Methodology (ISCTM):

Nuechterlein, K. H., Subotnik, K. L., Ventura, J., **Gretchen-Doorly, D.**, Casaus, L. R., Luo, J. S., DeTore, N. R., Victoria, A., Kurtz, A. S. (2010, October). *The cognitive effects of long-acting injectable vs. oral second-generation antipsychotic medication after an initial psychotic episode*. Poster presented at the International Society for CNS Clinical Trials and Methodology Autumn Conference, Baltimore, MD.

#### Schizophrenia International Research Society (SIRS):

Ventura, J., Subotnik, K. L., Ered, A., **Gretchen-Doorly, D.**, Helleman, G. H., & Nuechterlein, K. H. (2014, April). *Theory of mind in first episode schizophrenia: Clinical and neurocognitive correlates, state vs. trait, relationship to daily functioning*. Poster presented at the 4<sup>th</sup> Biennial Schizophrenia International Research Conference, Florence, Italy.

Nuechterlein, K. H., Ventura, J., **Gretchen-Doorly, D.**, McEwen, S. C., Vinogradov, S., Subotnik, K. L. (2014, April). *Enhancing cognitive training through aerobic exercise after a first schizophrenia episode: Theoretical conception and pilot study*. Poster presented at the 4th Biennial Schizophrenia International Research Conference, Florence, Italy.

Nuechterlein, K. H., Ventura, J., Subotnik, K. L., **Gretchen-Doorly, D.**, Turner, L., Casaus, L., Luo, J. S., Bell, M. D., & Medalia, A. (2014, April). *A randomized controlled trial of cognitive remediation after a first episode of schizophrenia: Improving cognition and work/school functioning*. Poster presented at the 4th Biennial Schizophrenia International Research Conference, Florence, Italy.

Ventura, J., Subotnik, K. L., **Gretchen-Doorly, D.**, Gitlin, M. J., Hellemann, G. H., & Nuechterlein, K. H. (2014, April). *Negative symptoms in the early course of schizophrenia: Their longitudinal stability and relationship to early cognitive processes*. Poster presented at the 4th Biennial Schizophrenia International Research Conference, Florence, Italy.

Nuechterlein, K. H., Subotnik, K. L., Ventura, J., Gitlin, M., **Gretchen-Doorly, D.**, Green, M. F., Becker, D., Drake, R., Mintz, J., Wallace, C., & Liberman, R. (2008, June). *A randomized controlled trial of supported employment and education and workplace skills training in recent-onset schizophrenia: Notable improvements in work recovery*. Poster presented at the 1st Schizophrenia International Research Society Conference, Venice, Italy.

#### Society for Research in Psychopathology (SRP):

DeTore, N. R., Ventura, J., **Gretchen-Doorly, D.**, Subotnik, K. L., Hellemann, G. H., & Nuechterlein, K. H. (2014, October). *The association between negative symptoms and family attitudes in first-episode schizophrenia*. Poster presented at the 28<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Evanston, IL.

McCleery, A., Green, M. F., Kern, R., **Gretchen-Doorly, D.**, Subotnik, K., Ventura, J., & Nuechterlein, K. H. (2013, September). *Latent structure of cognition in schizophrenia: A confirmatory factor analysis of the MATRICS Consensus Cognitive Battery (MCCB)*. Poster presented at the 27<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Oakland, CA.

**Gretchen-Doorly, D.**, Subotnik, K., Ventura, J. & Nuechterlein, K. (2012, October). *Comparing healthy lifestyle training and cognitive remediation in first-episode schizophrenia patients: Six-month health attitude and independent living skills*. Poster presented at the 26<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

**Gretchen-Doorly, D.**, Kite, R. E., Subotnik, K. L., DeTore, N. R., Ventura, J., & Nuechterlein, K. H. (2011, September). *Pilot test of a 15-week multimodal healthy lifestyle intervention with recent-onset schizophrenia patients*. (2011, September). Poster presented at the 25<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Boston, MA.

Nuechterlein, K., Subotnik, K., Ventura, J., **Gretchen-Doorly, D.**, Luo, J., Casaus, L., DeTore, N., & Victoria, A. (2010, October). *Improving cognition after a first episode of schizophrenia: The benefits of consistent second-generation antipsychotic medication*. Poster presented at the 24<sup>th</sup> annual meeting of the Society for Research in Psychopathology, Seattle, WA.

Subotnik, K. L., Nuechterlein, K. H., Turner, L., Ventura, J. & **Gretchen-Doorly, D.** (2007, October). *Does awareness of having a psychotic disorder mediate the influence of neurocognitive factors on work outcome?* Paper presented at the 21<sup>st</sup> annual meeting of the Society for Research in Psychopathology, Iowa City, IA.

#### Invited Presentations at Universities:

**Gretchen-Doorly, D.** (2012, June). *The importance of a healthy lifestyle for people diagnosed with schizophrenia: Exploring attitudes and behaviors.* Invited presentation at the UCLA Aftercare Research Program Relative's Meeting, Los Angeles, CA.

**Gretchen-Doorly, D.** (2007, October). *What about wellness? Health behavior training programs for schizophrenia patients.* Invited presentation at the UCLA Research Seminar on the Psychoses (Psychiatry 435; Psychology 296; RGP 35), Los Angeles, CA.

**Gretchen-Doorly, D.** (2006, January). *Development and pilot test of a health behavior training program for first-episode schizophrenia patients.* Invited presentation at the UCLA Research Seminar on the Psychoses (Psychiatry 435; Psychology 296; RGP 35), Los Angeles, CA.

Alarcon, E., **Gretchen-Doorly, D.**, Nuechterlein, K. H. & Subotnik, K. L. (2005, August). *Development of an outpatient healthy behavior program for recent-onset schizophrenia patients.* Poster presented at the annual UCLA School of Medicine Short Term Training Program Josiah Brown Poster Fair, Los Angeles, CA.

**Gretchen, D.** (2000, April). *A critique and confirmatory test of the Multigroup Ethnic Identity Measure (MEIM).* Poster presented at the annual meeting of the Fordham University Graduate School of Education Research Residency Program, New York, NY.

#### **POST-DOCTORAL AWARDS AND GRANTS**

National Institutes of Mental Health (NIMH), Division of AIDS and Health and Behavior Research (DAHBR), Health and Behavior Research Branch, Behavior Change Research Program, *Developmental Processes in Schizophrenic Disorders (R01 MH37705, Keith H. Nuechterlein, PI): Administrative Supplement for Evaluation of Health Behavior Training Program.* (2006 – 2010)

National Institutes of Health (NIH), Ruth L. Kirschstein [National Research Service Award \(NRSA\)](#) (2006-2008)

#### **PRE-DOCTORAL SCHOLARSHIPS AND AWARDS**

Dissertation Title: A Social-Cognitive Analysis of Self-Efficacy for Multiple Role Management, Multiple Role Realism, Goals and Psychological Well-Being. Mentor: Margo A. Jackson, Ph.D.

Winner of the 2005 American Council for Polish Culture *Pulaski Scholarship for Advanced Studies*

Winner of the 2004 American Psychological Association Division 17 Section on the Advancement of Women *Dissertation and Thesis Award*

Winner of the 2003 Fordham University Advisory Committee on Multicultural Affairs *Outstanding Dissertation Proposal Award*

## **PRE-DOCTORAL SCHOLARSHIPS AND AWARDS**

Student Travel Award, American Psychological Association (1999)

Outstanding Contributor to Student Life Scholarship, Fordham University Graduate School of Education (1999)

Alumni Scholarship Award, Fordham University Graduate School of Education (1998)
